SPEAKER'S BIO

ROBERT A. RIVERO

CEO, RAR Management Services LLC

Retired National Senior Partner, KPMG

Bob Rivero spent 34 years with KPMG leading nine different business units and ultimately becoming National Senior Partner in Charge. His International Business experience is extensive having lived and managed operations in Europe, Latin America & Southeast Asia in addition to the United States and his language skills include Spanish, Italian and Japanese. He served some of the Firm's major Japanese clients including Honda, Mitsubishi and Nippon Minebea, travelling frequently to Japan and throughout Southeast Asia and has a number of close friends in Tokyo (former Senior Directors) of these companies.

He presently assists companies with strategic action plans for growth and profitability and, in the International arena, he assists major multinational companies in developing and implementing action plans for establishing operations in foreign countries and also in resolving issues with foreign operations that are experiencing operating problems. He has also mentored numerous senior CEOs and many young executives who have become Senior Partners in KPMG and CEOs of NASDAQ and NYSE companies in addition to a variety of multinational private and public companies.
