GLOBAL ECONOMIC INSIGHTS

The Financial Impact of the Great East Japan Earthquake and the Debt-Laden U.S. and European Economies

MASAAKI KANNO
 Managing Director and Chief Economist
 JP Morgan Securities, Japan

Masaaki Kanno is one of Japan’s preeminent economists. Prior to joining JPMorgan Securities in 1999, he was an Associate Director at the Research & Statistics Department of the Bank of Japan, where he worked since 1974. His career at the Bank included serving as the Bank’s Deputy Chief Representative in Europe, secretary to the Governor in charge of National Diet issues (Japan’s bicameral legislature) and Chief Foreign Exchange Trader in the International Department, as well as secondment to the Japan Center for Economic Research as a Senior Economist. Kanno received a BA in Economics from the University of Tokyo and an MA in Economics from the University of Chicago.
