Dear 102nd Anniversary Dinner Sponsors and Guests,

On behalf of the Japan America Society of Southern California, I extend my deep appreciation to you for supporting our 102nd Anniversary Dinner on Saturday, April 2, 2011. We are pleased to honor **Dr. Kazuo Inamori** with the Society's *Kokusai Shimin Sho* "International Citizens Award." The leadership displayed by Dr. Inamori throughout his remarkable career serves as a model to those now tasked with the monumental job of rebuilding an entire region of Japan. We are privileged to be able to honor this great International Citizen.

In response to the overlapping disasters in Japan, during the dinner program we will also be recognizing the Charter Donors to our JASSC 2011 Japan Relief Fund, including Kennedy Wilson, Bank of the West, QuinStar Technologies and Sunkist Growers.

We thank all of our sponsors, especially our Presenting Sponsor, **South Coast Plaza International Destination**, for their generous support. Additionally, we invite you to arrive early to enjoy our inaugural High Tech Fair that will take place concurrently with our Silent Auction and Reception, beginning at 3:00 p.m. A complete list of Silent Auction items are available on our website at www.jas-socal.org.
