Centrally located just south of the Imperial Palace grounds, the property has long drawn a high-profile clientele who rely on the discretion of the gracious staff of devoted hoteliers particularly adept at looking after discerning guests. Rooms are situated in the main building or in the gleaming tower, and many look across 40-acre Hibiya Park, the Palace and Ginza neighborhood. Two pleasures not to be missed here are the daily chanoyu (traditional tea ceremony) and a drink in the Old Imperial Bar, an elegant Art Deco space containing pieces of murals and terracotta tile from the original building, designed by Frank Lloyd Wright in 1923.
