Women's Leadership Counts

SPEAKER'S BIO

LYNNE A. HUMENIK

President & CEO, Hitachi Cable America Inc.

CEO, Hitachi Cable Queretaro

Ms. Humenik has enjoyed an eighteen year career with Hitachi Cable America focused on global leadership of industrial, specialty cable, automotive and medical companies with revenue in excess of \$0.3 billion. She has facilitated world-class technology development, achievement of operational excellence, creation of business development functions and the building of strategic sales teams while managing the change of four corporate reorganizations. Prior to Hitachi Cable America, Ms. Humenik spent many years utilizing her skills to build successful chemical, polymer and polymer additive organizations.
