

# JUMP

JAPAN US MILITARY PROGRAM  
*Connecting those who have served in Japan*

**The JASSC invites past and present service members, families and government civilians who have served in Japan —and those who are interested in thanking and honoring them— to our inaugural JUMP event.**

Through social networks and events, the [Japan U.S. Military Program \(JUMP\)](#) builds relationships and provides opportunities for service members to engage with each other. It also offers a powerful foundation for sustaining the solid alliance and relationship between the U.S. and Japan. JUMP is a collaborative effort between [Sasakawa Peace Foundation USA](#), the [Embassy of Japan in the USA](#) and the [National Association of Japan-America Societies](#).

JASSC's inaugural JUMP event, co-presented with the [Consulate General of Japan in Los Angeles](#), will take place on the fantail of the Battleship USS Iowa. Greetings will be provided by **Admiral Dennis Blair**, past Commander in Chief of the U.S. Pacific Command and current Chairman of the Board & CEO of Sasakawa USA, as well as representatives from the Air Force, Army, Marines and Navy.
