The Japan Bowl of California BENKYOUKAI is back!
The popular virtual study session is returning to serve all high school students preparing for the 3rd Virtual National Japan Bowl. Participants will explore the topics that may appear in the digital competition along with other students from across the U.S. The BENKYOUKAI curriculum not only builds on the students’ linguistic skills gained at school but is also fun, engaging, and designed to provide a unique experience for students on any part of their language learning journey!
